Letter No.G22 dated the 19th July 1902 from the Senior Surgeon submitting proposals for the training of Nurses from the grant of the Victoria Memorial scholarship fund.

---

2 The following are the alterations proposed in regard to the training of midwives as nurses.

Existing. (Midwives)	Proposed. (Nurses).
At present these are being trained at the cost of the Distt Funds.	1. The scholarships of midwives are proposed to be paid from the Victoria Memorial scholarship Fund.
The rate of scholarship is Rs. a month for a pupil.	2. The rate is not given but Rs. 600 will be granted annually for training 4 or 5 women.
The period of training is 12 months.	3. The period will be not less than 18 months.
These are being trained only in midwifery.	4. Nurses will be trained in midwifery and Nursing.
Appointment guaranteed.	5. A limited number of nurses are required. By July 1905, 8 trained nurses would be available. It will not be necessary to guarantee employment to those trained after July 1905. At

the

proposals especially as Mrs Robertson has liberally arranged for a contribution of Rs.600. The memo referred to 2 is also put up. I shall feel obliged by the IIIrd Councillor favouring me with his views very early. I think 4 nurses may be trained and Govt may guarantee them appointments for two years and also the Government's readiness to accept the responsibility of the trust. The change in the scale of the present pay of midwives which causes no increase of financial burden may be sanctioned. Their control also by the medical department under the conditions of Local Fund Presidents being consulted as proposed by the Senior Surgeon. The proposed pay and the period and method of training to the new nurses is also fair. If the III Councillor agrees, the Secretary may be asked to send up a draft order very soon . The matter has been already unfortunately delayed.

7. Government consider that since these midwives are paid entirely from the municipal and Local Funds, the control must necessarily vest in the Presidents of the Boards. They have greater opportunities of knowing whether the midwives are conducting themselves properly or not, but in all important matters connected with the control, they are required to consult the Senior Surgeon and be guided by his advice. When they fail to do so, the Senior Surgeon is at liberty to bring the matter to the notice of Government. Whenever the Senior Surgeon thinks that a midwife

Government may rest assured that in all cases of transfers &c the Presidents of the Municipalities and Local Fund Boards in whose districts thay may be serving, will invariably be consulted and none of them will be suspended or dismissed without referring the matter to the Presidents of the several Boards concerned.

(Paras 6 and 7 of the Senior Surgeon's letter No.622 dated 19th July 1902)

II. The proposals may be accepted. As it is doubtful that any appreciable number of the more respectable classes or of better character will be forthcoming, it does not seem either necessary or advisable to increase the pay at once. It may be fixed at 15-1-20 Rs.

I think it would be a reform in the right direction if the midwives are placed under Civil and Senior Surgeons.

No.410 dated 7th May 1903.

VI. The Senior Surgeon now submits with reference to para 4 of the above order, a statement showing the names of those idwives who were in receipt of a consolidated pay, varying from Rs.18 to Rs.30 per mensem prior to the receipt of Govt order under reference, and recommends that sanction of Government may be accorded to the continuance of the same pay to these midwives. He adds that it would, in his opinion, be hard on these people, if for no fault of theirs, their pay, which they had been drawing for years were suddenly reduced and, that the pay of midwives entertained in future to fill up vacancies caused either by retirement or death will be regulated by the recent Govt order.

VII. The Senior Surgeon also recom-mends that the pay of the municipal midwives in the Maternities at Banga-lore and Mysore and the Civil Hospitals at Shimoga, Hassan and Chital-drug may be left without being disturbed even when these appointments are to be filled in by new comers on the occurrence of vacancies, as the same is borne wholly by the different municipalities concerned giving due consideration to the importance of station and the natnne of work turned out by these midwives.

VIII

VIII. As it is not stated under what authority higher rates of pay were allowed to certain midwives than those allowable under Pro. No.4629-40/L.F. 55-93 dated 7th September 1893, draft docket is submitted calling for the in-formation.

Docket issued.

IX. The Senior Surgeon in reply states that as the midwives' control was mostly under the Presidents of the various Local Boards prior to Govt Order No. 2273-84/L.F.55-93 dated 3rd August 1902, they were addressed on the subject and their replies forwarded in original for favour of orders.

Letter No.393 dated 25/1/04.

X. The President of the District Board, Bangalore states that the appointments and postings of midwives vested in the Senior Surgeon, that their services will be entertained in the L.F.Dispensaries only on receipt of the Senior Surgeon's communication as to their appointment, posting and the rate of pay allowed to them and that when such was the case, it is not easy to say how a higher rate of pay than Rs.15 was allowed to the 3 midwives referred to by him but from the reports of the Deputy Amildar of Close pet and the Amildars of Chennapatna and Hoskote it would appear (1)that

11) XI. The Senior Surgeon instead of of explaining the mistake, which was made in his office, simply forwards the correspondence.

12) XII. The President of the Distt Board, Kolar states that the higher rate had been paid to Gnanamma, the then midwife of Bagepalli as per her last pay certificate and that the excess amount so paid was since recovered and credited to the Treasury

No.63 dated 17/7/03 to the Senior Surgeon.

12) XIII. In Tumkur, the midwives were paid at Rs.20 per mensem from 1893 as they could not be had for less pay. In 1896, there were 8 on Rs.20; in 1897-8, 7 on Rs.20, and from 1898-99, 6 on Rs.20, the remaining 6 their on Rs.15 each. From the year 1902-0

No.345 dated 18/12/02 to the Senior Surgeon.

all these were put on the reduced sa-

lary of Rs.15 per month. It may be noted here that in reply to an enquiry made by Govt as to why the pay of the midwives in this Distt should not be reduced to Rs.15 as in other Distts, the President in his letter No.109 dated 5th August 1893 stated that if the Senior Surgeon can get persons for Rs.15, the proposed reduction might be effected, The Senior Surgeon was thereupon asked in the last para of Govt. Pro.No.4779-'2/L.F.95-92 dated 16th September 1893 to state whether midwives required cannot be secured on a monthly salary ofRs.15. No reply appears to have been received to this. But as all midwives are reported to have been put on the reduced pay, no further orders are called for.

XIV. The President of the Distt Bd/ Mysore, states that midwife Santavamma was transferred to Nagamangala on her pay of Rs.20 from Nagarathpete dispensary, Bangalore City as per Senior Surgeon's order No.448/20 dated 26th March 1901.

No.477 dated 24/8/03 to Senior Surgeon.

XV. The midwife at Yedatore is reported to have been drawing at the rate of Rs.20 since 6th December 1892 as per Senior Surgeon's Memo No 3641 of 6th December 1892.

Letter No.237 dated 7/8/03 from President Dt.Bd.to Senior Surgeon.

Mysore was fixed at Rs.20 per mensem from the very beginning in accordance with the terms on which her services were obtained from the Superintendent, Lying-in hospital, Madras.

XVII. Chinnamma who was drawing Rs. 20 in the Lying-in-hospital at Bangalore was transferred to Hassan on the same pay and on the recommendation of the Civil Surgeon promoted to Rs.25 by the Municipal Board. The Govt order does not apply to this midwife as she is paid from municipal funds.

XVIII. Annamma of Yeslurpet was first appointed on Rs.20 by the Senior Surgeon himself but as there was provision for only one midwife on Rs.20 and Saklespur is malnad, Rs.20 was given to Bhagyamma of Saklespur and with the sanction of Govt Annamma of Yeslurpet was allowed only Rs.18 per mensem.

XIX. In Shimoga Mrs D'Costello and Sobina D'Souza, relieving midwife were allowed Rs.30 and 18 respectively under the sanction of Gott.

XX. Gnanamma and D'Costa are paid Rs.20 each as the former was transferred from Malnad to Shikarpur and the latter was serving in the malnad.(Tirthahalli)

XXI

XXI. The sanctioned scale for Nagar, (Kallurkatte) is Rs.18 which is being paid to midwife Nathala D'Souza.

XXII. In the Kadur Distt, the Midwives of Koppa and Srimgerei (both malnad places) and of semi malnad (Tarikere) draw respectively Rs.20 and 18 as per standing orders.

XXIII In Chitaldrug th. midwife was drawing Rs.20 before the receipt of Govt order and she was permitted to continue to draw the amount on her agreeing to forego the additional remuneration for extra cases allowable under Pro.No.4629-40/L.W.55-93 dated 7/9/03.

Submitted for orders.

XXIV The medical department is solely responsible for the excess in scale.

XXV In brief, the midwives, who have been allowed by the Senior Surgeon without sanction in both of the cases to draw more pay than that allowed by Govt viz Rs.15 and which is recommended by the Senior Surgeon to be continued are the following.

The Comptroller cannot be allowed to evade his responsibility in this summary manner. He is also the Secretary to the Insurance Committee. There must be something base in his office that such irregularities have been permitted.

The Senior Surgeon's office is primarily responsible for all this confusion. There is a responsible Assistant in

76) On a comparison of this list with that received from the same office in May 1903 and subsequent correspondence on the subject the following discrepancies are found.

(i) Midwives Maryamma of Kankanhally, Rodamini of T. Narsipur, Dharanamma of Holalkere and Pragasam of Heggadadevankote who are shown in the present list as having drawn more than Rs 15 prior to 1st August 1902 have ~~not~~ were not been shewn in the old list.

midwives nos 3. 8. 10. 11 & 12 do not appear in the present list while the pay drawn by the others prior to 1st August 1902 is shewn as only Rs 15. It is seen from the records that no 3 Sanjeevamma is retired. Besides Annamma, midwife of Thirthally entertained on 6th July 06 cannot be identical with no 11 (Annamma) referred to.

(iii) Pay of Ayapurnammal of Nilepet dispensary prior to 1st August 1902 (column to be scored out) is shewn as 15 Rs in the old list & as Rs 15+ is in the present list. The authority for the grant of Rs 10 allowance should also be noted

(iv) In the list of 1903, pay drawn by midwives prior to 1st August 02 was shewn as a consolidated one while in the present list this has been split up into pay & allowance. The authority for such a procedure is not apparent.

(v) Some midwives are shewn to have insured on Rs 18. This is not the correct amount as the pay upon which a person can insure is Rs 10 or any sum above that which is a multiple of 2½ Rs. So the pay upon which they have insured is Rs 17½, although they actually draw Rs 18/-

55) In September 1893 the scale of pay for midwives who were formerly getting Rs 15 & 20 was with effect from 1st January 1894 fixed at Rs 15, 18 & 20 for the maidan, semi-mainad and mainad talukas respectively with extra remuneration for labor cases conducted above ~~the~~ four and it was ordered that if the adoption of this scale involved a reduction

of pay of the then incumbents they should be given the option of drawing their former pay without remuneration or of drawing the reduced pay with remuneration. The above order having been found to be inconvenient for transferring midwives from Malnad and Semi-malnad to Maidan, in August 1902 the pay of midwives was altered to a uniform rate of Rs 15 per mensem and an allowance of Rs 3 & 5 respectively was granted to those serving in the Semi-malnad and Malnad. Nearly a year afterwards in May 1903 the Senior Surgeon and Sanitary Commissioner recommended that midwives in receipt of pay of more than Rs 15 prior to August 1902 may be allowed to continue

GPB—50.000—18-5-08

to draw their former pay till they vacated office. The matter has been under correspondence since.

8) In August 1906, Govt commented on the irregularities that had been permitted in regard to the pay and allowances of the midwives and called for a complete and authoritative list of all midwives in the State in a prescribed form and such a statement duly verified by the Comptroller has now been received. The Senior Surgeon has no objection to the suggestion of Govt made in para 11 of the order of Augt 06 referred to above that the pay of the midwives of the maternities at Bangalore & Mysore & of the civil hospitals at Kolar, Chitaldrug and

GPB—50,000—17-3-07

Serial No.

Shimoga be also fixed at the uniform rate of Rs 15, the excess over and above the sanctioned scale being treated as allowances attached to the different stations and Institutions.

87) With reference to an enquiry made by this office, he has also explained that the consolidated pay they were getting before August 1902 was in the present list ~~been~~ split up into pay and allowance as directed by Govt in para 10 of the order of August 1906. This action is unauthorized as the allowance which was directed to be shown was only the allowance if any which the midwives were getting before the Govt order of 1902.

88) The question for consideration now is how the case of those midwives

GPB—50,000—17-3-07

who were drawing a pay of more than Rs 15 prior to the date of that your order of 1902 should be treated. Out of the total number of 106 midwives employed in the State the number of midwives whose cases call for orders is 43 as shewn in the statement put up. Of these one was entertained subsequent to the passing of the order of 1902.

89) Of the midwives who were drawing a higher pay than Rs 15 a month prior to the order of 1902, some now draw only Rs 15 a month serving in the maidan, while others draw the above rate of pay plus the allowance sanctioned for the maidan and Semi-maidan. In the case of the former the difference between their present pay and that which they were drawing before

August 1902 may be treated as personal allowance and they may be allowed to draw this allowance from the date they ceased to draw the higher rate of pay. If they are transferred to mahal or semi-mahal or to institutions carrying local allowance they are to draw no local allowance except where it is in excess of the personal allowance in which case they may draw as local allowance the difference between the local allowance and the personal allowance.

90) The financial effect of this proposal is an excess expenditure of Rs 6006/- as per particulars noted below: —

Bangalore Midwives will have to be given an allowance of 2.3.4.5 & 7 yrs / Rs 5 a month.

This will last for 77 months from Aug 02 to Dec 08 — Rs 1925

9) In the case of those midwives who have been serving in mahal or semi-mahal or special institutions the difference between the pay which they were getting before August 1902 and the uniform rate of Rs 15 now fixed may be similarly treated as personal allowance, and as almost all of them are now drawing as pay & allowance an amount equal to what they were getting before Aug-02, there is no need to incur ~~not of~~ much excess expenditure to ~~the State~~. Midwife Rajamma now serving at Hassan will be entitled to receive Rs 154/- as she is now getting 15+3 = 18 Rs (i.e) Rs 2 less than

I do not however find any authority for such presumption. On the other hand, there is sufficient authority & evidence to show that the rates of pay were not personal to the incumbents of the appointments but attached to the posts in view of the expensive

- or unhealthiness of the places where the duties of the appointments ~~were~~ had to be performed. Apparently, prior to August 1902, the pay of Midwives transferred from a Malnad or Semi-malnad Station to a Maidan place was being reduced. & there is reference to such reduction in the last para of the order of August 1902. If, as there is reason to believe, the rates of pay prior to August 1902, were only attached to the particular places & posts, it is difficult to see what claim to the excess over Rs 15, the Midwives in receipt of a pay of more than Rs 15 at the time of the said order, can have of subsequent to the date of that order they ceased to be the holders of appointments which carries the special rates of pay, which were split-up in August 1902 to a pay of Rs 15 plus a local allowance of Rs 3 or Rs 5 according as the Station was a ~~Malnad~~ Semi-malnad or a malnad one.

97) The opinion has however

been expressed by more than one authority in the orders recorded on the case, that Midwives in receipt of more than Rs 15 at the time of the order of 1902 Ch^s have their old rates of pay allowed to them as a personal Concession, the balance in excess of Rs 15 being treated as a personal allowance & being given to them even tho' they may work in the maidan. If Govt in the Administrative Dept Consider that, for any reason, it is unfair to reduce the pay which midwives in Service on the date of order of 1902 were receiving, these proposal made in the draft that the excess over Rs 15 may be continued as a personal allce, may be passed. The Sanctioning of such a proposal results in additional expenditure in that the midwives who are shown the concession in question if transferred (from) to the maidan will draw their personal allowances while others who replace

.... thein in the malnad or semi malnad will draw the same rate of allces as local allowances. If there are administrative grounds sufficient to justify such additional expenditure the recommendation of the Senior Surgeon may be sanctioned. The Finance Branch would however make one suggestion with a view to keep the extra expenditure at as low as possible & that is that, if other circs permit, Medicos who have to be shown the concession now under consideration may be kept in places the appointments of which carry a rate of salary equivalent to the emoluments to which the said Medicos are entitled.

98) The rates of local allowances prescribed for the appointments at Hassan & Shimoga seem to be high & susceptible of reduction & to this aspect of the matter the attention of the administrative dept is invited.

99) The Finance Branch is agreeable to the reduction of pay of midwives of the Maternity Hospitals at Bangalore & Mysore & other special institutions referred to in the last part of para 1 of the draft. As for continuing to the present incumbents of the 5 low posts their present rates of ~~pay~~ emoluments even though they are transferred to other places where work is less heavy for the appointments at which carry lower rates of pay, the same considerations as are urged above in regard to the personal continuance in the form of a personal allce of the excess over Rs 15 in the case of the 27 Midwives apply.

The work the mid-wives in those places do, is not more arduous than what is done by midwives in other district Headquarters to which no such allowance is attached (e.g. Tumkur and Kolar). ~~The~~ Shimoga and Hassan being semi malnad, the midwives employed there may draw a local allowance of Rs 3. With reference to para 4 of Government Proceedings No. 2273-84/L.F. 55-93 dated 3rd August 1902, sanctioning an alteration of the scale of pay for Midwives, I have the honor to submit for the consideration of Government the accompanying statement, showing the names of those Midwives who were in receipt of a consolidated pay, varying from Rs. 18/ to 30/ per mensem, prior to the receipt of Government order under reference, and to recommend that sanction of Government be accorded for the continuance of the same pay to these Midwives.

The pay of Midwives entertained in future to fill up vacancies caused either by retirement or death will of course be regulated by the recent Government order. It would in my opinion be hard on these people, if for no fault of theirs, their pay, which they had been drawing for years were suddenly reduced.

Requesting Sanction of Govt to the proposal re the Scale of pay of certain Midwives.

Hassan and Chitaldroog may be left without being disturbed even when these appointments are to be filled in by new comers on the occurrance of vacancies, as the same is borne wholly by the different Municipalities concerned giving due consideration to the importance of station and the nature of work turned out by these Midwives.

Under these circumstances, I hope that Government will see their way to accord early sanction to my proposal which if sanctioned will obviate complaints being received from the Midwives referred to in the statement, as to their original pay being affected by recent orders of Government.

Sir

With reference to your docket
No. 3753-62 dated 23rd June 1903, re-
questing me to state the authority
under which higher rates of pay
than those fixed in Government
Order of September 1893 was allowed
to certain Midwives, I have the
honor to state that the appoint-
ments and postings of midwives
vests in the Senior Surgeon. Their
services will be entertained in
the Local Fund Dispensaries only
on receipt of the Senior Surgeon's

Communication as to their appointments, postings and the rate of pay allowed to them. When such is the case, it is not easy to say how a higher rate of pay than Rs 15/- was allowed to the 3 Mudaliars referred to. However, the Mudaliars of the Taluks concerned were asked to throw some light in the matter. The Deputy Mudaliar of Chingleput seems to apply an extract of the orders issued to Medivipa Reichab from your Office (No. 1798 dated 1st September 1891 and 1824 & 6th September 1891), by which her pay is fixed to be Rs 20/- per mensem. The Mudaliar of Chengapatu reports that Ameena Bi's first appointment was in Chengapatu on Rs 20/- per mensem. She is reported to have continued to draw at that rate up to the end of April 1896, when her pay was altered to Rs 15/- per mensem. The circumstances that led to the Connection is not explained.

The Assistant of Hankote states that Medwife Samudram was previous to her transfer to Hankote in June 1901 in receipt of Rs 20/- per mensem and working in the Maternity, and that she continued to draw at that amount up to the end of July 1902, when the scale of pay was in Government Proceedings No 2273-84 / L.T. 55-93 dated 3rd August 1902 fixed at a uniform rate.

2. Mareamer, para 2 of Government Proceedings No 4629-40 / L.T. 55-93 of 7th September 1893 fixes the scale of pay for three midwives in the Madras Districts at Rs 15/- per mensem. However, the addition of this scale only in all Cases i.e. in Cases where the incumbents were drawing Rs 20/- is not justified. For the other than higher scale of pay i.e. at Rs 20/- is allowed, subject to the withholding of the Extra remuneration paying for treating

Commissioner, Mysore Government

Sir,

With reference to your docket No. 3573-62 dated 23rd June last requesting to inform the authority under which certain Midwives in this District were allowed Rs 20/- per month, I have the honour to forward herewith the statement shewing the provision made on account of the pay and allowances to the Midwives in the several District Fund Budgets from the year 1893-94 to 1903-04; from which it will be seen that from the beginning the Midwives in question in this District have been given a salary of Rs 20/- per month

as their services could not be had for less than that sum. In this connection an Extract of this office letter No. 109 dated 5th August 1893 is enclosed for reference, to which no reply seems to have been received in this office and the question raised therein remains undisposed of.

2. From the statement of midwives forwarded with this office Mis: No. 1172 dated 1st March 1903, it will be seen that the midwives Elizabeth and Hussein Bee were drawing Rs 20/- per month even before the date of Government order No. 4629-40 / L.F. 55-93 dated 7th September 1893 and their pay on the same scale Continued up to very recently.

3. A reference to Government Proceedings No. 11235-9 / L.F. 90-95 dated 1st April 1896 shews that there were in this District 8 midwives on Rs 20/-. In the year 1897-98 there were 7 midwives on Rs 20/- and 4 on Rs 15/-. From the year 1898-99 there have been 12 midwives in this District 6 on Rs 20/- and 6 on Rs 15/- including the relieving midwife at Tumkur.

After

After the receipt of Government Proceedings
No 2273-84 / LF 55-93 dated 3rd August 1902, all these
midwives were put on the reduced pay
of Rs 15/- per month. From the above quoted
authorities it will be seen that in this
District, there have been not less than
six midwives on the 20/- at any time.

I have the hon to be,
Sir,

In reply to the above has the honor to inform that, midwife Santhanamma was transferred to this Taluq from Nagarathpet dispensary, Bangalore city, as per Senior Surgeon's

order No 4248 - 20 d/26 - 3 - 01; and it is two years since she is transferred to this place. She was drawing Rs 20. when she came here, as evinced from the last pay certificate granted to her; but the authority on which she was drawing that amount is not forth-coming in this office, and is to be ascertained from the medical officer in charge of the Vayarathupet Dispensary, as it was that officer who granted to her, the last pay certificate.-

Sir,

I have the honor to state that a native midwife is required for employment in St. St Thomas Maharanee's Female Hospital here and I shall feel much obliged if you will be so good as to help me in procuring one.

If you have an efficient and qualified one at the Hospital whom you can well recommend, I shall be glad to take her. The pay is Rs 20/- per mensum and there is a fair amount of private practice, amounting to perhaps nearly the pay. The midwife whom you sent me in the latter part of 1881 has done well but she is obliged to leave, the State as her husband and family require her to join them at Hyderabad.

I have the honor to state as follo

1. From enquires made, it is ascertained that midwife Chinnamma of Hassan was firs appointed as a midwife on Rs 2 in the Lying-in-Hospital, al Bangalore and was thence transferred to Hassan on the same pay. The Assistant-Surgeo having recommended an incre of Rs 5/- to the midwife, the san was passed by the Hassan Town Municipal Board in their meet held on the 5th March 1891. Sh has thus been drawing monthly pay of Rs 25/- since April 1891. I may state for information that-

the

the midwife has not been drawing any additional remuneration on the scale sanctioned in the Government Proceedings of 7th September 1893, the midwife having apparently not consented to the change in her pay according to the alternative concession allowed in the said Proceedings

2 — It may be added here also that the Proceedings dated 7th September 1893, do not seem to apply to the midwife Bhinnamma she being a midwife employed by the Hassan Municipality and paid entirely from their Funds.

3 — As to midwife Annamma of Yeslurpet, she was appointed by the senior Surgeon himself on a salary of Rs 20/- per month and directed to report herself for duty in this district at Yeslurpet, Vide Senior Surgeon's docket No 804 dated 8th August 1902.

The

4- The District Fund budget having made provision for only one midwife on Rs 20/. per mensem, it was proposed to allow Rs 20/. to the midwife Bhagyamma of Sakleshpur who was recommended for promotion by the Sub Assistant Surgeon of Sakleshpur and on a consideration of the fact of Yeslurpet being a Malnad place, reference was made to Government and ~~their~~ sanction obtained for the entertainment of a midwife for Yeslurpet on Rs 18/. per month, which was allowed to the midwife Annamma newly appointed. Correspondence ending with Letter No. 392 dated 25th January 1901 from the Senior Surgeon submitting the replies received from the Presidents of the various Municipal and District Boards as to the authority under which higher rates of pay than those fixed in G.O. of September 1893 were allowed to certain subordinates

Has the Honour to observe that, from the papers received with the above, it would appear that the Medical Department which

which is stated to have exercised the power of appointing and posting midwives is mainly responsible for having allowed certain midwives to draw salaries in excess of the sanctioned scale except in the case of Mrs. D'Costello & Sobrina D'Souza, for whom higher rates were specially sanctioned by Govt. (vide homeward) P. Before passing final orders on the subject the Senior Surgeon is requested to explain this unauthorized act & to state whether all ~~of~~ or any ~~of which~~ of the midwives in question have incurred ~~in~~ as to which of them their lives on their present pay which is higher than the sanctioned scale.

2 It should also be stated why the name of Jayapurna annual drawing only Rs 15 has been included in the statement of midwives drawing salaries in excess of the sanctioned scale.

Sir,

With reference to docket No. 1966/L.F.55-93 dated 6th September 1904 anent the higher rates of pay to certain Midwives, I have the honor to state that though the Medical Department had exercised the power of appointing and posting Midwives, yet, the disbursement of their pay rested with the Comptroller and the Presidents concerned who would not have disbursed higher rates of pay to certain Midwives without Government sanction on the mere unauthorized authority of the Senior Surgeon as stated in para 2 of the docket under reference. As the orders of Government on the subject are not now forthcoming the question may be disposed of finally in the manner the Government think proper as the matter is pending disposal for a long time.

The same was revised in Pro: No.4629-40/LF55-93 dated 7th September 93 as under :-

	Pay	
Midwives of Nidan Taluk	Rs.15	per mensem
Semi Malnad	" 18	"
Malnad Taluk	" 20	"

at the same time Government allowed such of the Midwives who do not accept the change proposed to draw their former pay.

This revised scale of pay was allowed by this office from January 94 to August '02 when a fixed scale of Rs.15/- was sanctioned to all the Midwives and treated the excess as semi Malnad and Malnad allowances.

The Midwives seem to have insured their lives on the higher rates of pay they were drawing before the issue of Pro: No.2273-84/LF55-93 dated 3rd August 1902 on the extension of the Insurance Rules to Medical servants in Pro: No.1734/Fl:157 dated 23rd August 1900.

SIR,

IV null 1-2-06

III-v-3 sgv/2

As desired in your docket No. 4341/Md. 55-93 dated the 30th October 1905, I have the honour to submit a statement of midwives who have insured their lifes under the State Life Insurance Scheme with the premium now recovered from each.

I regret the delay in the preparation of this statement, which was due to the fact that, in the absence of a nominal audit, in this office, the several paid bills of 1902 and 1905 had to be traced and referred to.

It will be seen from the enclosed statement that only 14 midwives are at present paying a premium of more than Rs. 1-8-0, and apparently one other (to make up the 15 mentioned by the Senior Surgeon) has ceased to be in Government employ.

Of the said 14 only 4 appear to have been entertained after August 1902 and have insured their lives on their present pay, while the other 10 continue to pay premium at the same rate as existed before August 1902.

With reference to the remark in the last sentence of the docket under advertance, I beg to submit that under the rules of the State Life Insurance Scheme my function, as Comptroller is limited to verifying the statement of collections of premia with the figures which appear in the Treasury accounts.

I have the honour to be,

The Government regret that there should be so much confusion in regard to the disbursement of pay to the midwives in the State. The proceedings disclose not only a series of irregularities on the part of the Senior Surgeon's Office but also an utter want of a sense of responsibility in the attempts to explain the irregular payments in excess of the sanctioned scale when the attention of the office was called to them.

2. There has been a direct and inexcusable violation of the distinct orders of Government fixing the pay and allowances of midwives for the Malnad and Maidan stations. The papers show that orders of Government passed in 1893 in regard to pay for Malnad and Maidan were ignored, and midwives transferred to the Maidan were allowed to draw pay at rates fixed for the Malnad, and again in direct violation of the orders passed in the proceedings of 3rd August 1902, midwives in 34 cases have been allowed to draw pay at rates varying from ~~15~~ 18 to ~~30~~ 20 Rs without special sanction of Government.

3. Para 4 of Government proceedings of 3rd August 1902, prescribing a modified scale of pay for midwives throughout the State was ~~adopted~~ passed on the representation of the Senior Surgeon himself made in para 8 of his letter dated 19th July 1902. By the same order the Government also vested in the Senior Surgeon, the control over midwives throughout the State as specially asked for by him in his letter.

MGCPB—20,000—1-11-04.

Serial No.

4. From the explanations received from the different heads of Municipalities and Local Fund Boards, it is clear that the appointment of these midwives was originally made by the Senior Surgeon himself and their pay also fixed at different rates by the same officer. This being the case the Senior Surgeon cannot rightly disclaim all responsibility for varying rates of pay being given in violation of Government orders and shift it on to shoulders of the Presidents of the different local bodies.

5. When the Senior Surgeon asked for and was given the responsibility of control over all midwives in the State, he should have taken care to instruct the Presidents of local bodies as to the modifications that had been made in the pay and allowances of midwives, and should have seen that the sanctioned scale was adhered to.

6. It is clear that when the proceedings of 3rd August 1902 were passed, several midwives were drawing pay at rates which differed considerably from the scale recommended by the Senior Surgeon, and in making the proposals contained in his letter of July 1902, the Senior Surgeon ought to have brought this state of things to the notice of Government, and submitted proposals as to how such cases should be dealt with. If he considered that the existing rates should be continued to the then incumbents he should have made a recommendation to that effect in his letter of July 1902, before Government

passed orders in the matter and not nearly a year afterwards.

2. This omission on the part of the Senior Surgeon to deal with the question fully and adequately in all its aspects when recommending radical changes does not speak well for the care exercised in the head-office of a large and important department of the State.

3. In connection with this case Government notice with regret that the accounts have not been audited properly in the office of the Comptroller, and that when called upon for explanation the office contents itself with giving perfunctory and inaccurate replies. The proceedings of August 1902 laid down a scale of pay for midwives, generally applicable without exception, and it was the duty of the Comptroller to have enforced that scale and put under objection any deviation therefrom. But ~~it is seen that for over three years~~ the Comptroller has for over three years passed the pay of midwives at rates which have no reference to the scale laid down in 1902, and has not ~~even~~ brought the matter to the notice of Government.

4. In his letter of the 20th October 1905, the Comptroller states that with the exception of two midwives in whose cases special rates of pay had been sanctioned by Government, all the rest were drawing pay at rates according to the scale laid down in August 1902, whereas the real fact was that a large number of them were drawing pay at rates which they had been drawing before August 1902 and which differed considerably from the

scale then laid down. Inaccuracy of statement such as this cannot be excusable in an officer who, above all others, is responsible for audit of accounts and whose duty it is to see that sanctioned scales are not departed from.

10 Before finally passing orders on the present recommendations of the Senior Surgeon the Government desire to have as early as possible a complete and authoritative list (brought up to date) of all the midwives in the State in the form given below prepared by the Senior Surgeon in consultation with the Comptroller -

1. District.
2. Name of midwife.
3. Caste.
4. Date of entry into service.
5. Pay on 1st August 1902 + allowance, if any.
6. Present pay + allowance.
7. Present station.
8. Amount of pay on which insurance has been effected.
9. Remarks.

Note.- In columns 5 and 6 the allowance should be separately shown.

11. The Government also note that the Senior Surgeon proposes to retain a special scale of pay for the midwives attached to the Maternities at Bangalore and Mysore and the Civil hospitals at Shimoga, Hassan and Chitaldrug. Government however would be glad to know if it would not be convenient if these midwives are also given the same rates of pay as the others, with a view

to secure uniformity, the pay over and above the sanctioned scale being treated as allowances attached to the different stations and institutions. This will facilitate transfers and would enable the auditing officers to better check any departure from the sanctioned scale.

SUBSIDIARY No. 21

Sir,

I have the honour to acknowledge the receipt of Government Proceedings No. 1587-8/Mdl.(55-93) dated the 17th August 1906 making certain observations regarding the pay drawn by the midwives attached to the Dispensaries in the Province.

2. In para 8 of the above Proceedings it is remarked that this office has contented itself with giving perfunctory and inaccurate replies which I believe refer to this office letters Nos. 353 and 4205 dated 23rd October 1905 and 26th January 1906. It is further remarked that it was the duty of this office to have enforced the scale sanctioned in August 1902 and put under objection any deviation therefrom, and that on the other hand this office has for over three years passed the pay of midwives at rates which have no reference to the scale laid down in 1902. In this office letter No. 353 dated the 23rd October 1905, it was correctly reported to Government that with the exception of the two midwives of Hassan and Shimoga sanctioned in Proceedings No. 7146-50/L.122-93 dated the 20th October 1893 and 517-18/L.F.137-02 dated 1st August 1903 all the rest were allowed a uniform pay of only Rs. 15/- with the prescribed Malnad and Semi-Malnad allowances from the date of Government order of August 1902, and this report was further supported

X Vide Municipal 4764/91, V. 3 X

80

by a separate statement sent with this office No. 4205/644 dated the 26th January 1906 showing the pay drawn by midwives prior to and after the Government Order of 1902. It cannot therefore be understood by this office where it failed to pass the pay of the midwives without reference to the scale sanctioned in August 1902, and how the replies referred to above ~~were~~ were perfunctory and inaccurate.

3. In order ~~of~~ the Government may have a clear idea of the case, a statement showing (1) the names of the dispensaries (2) the description of the stations as to whether they are Malnad, Semi-Malnad or Maidan the names of the midwives attached thereto, the pay drawn by them ~~on 1st July~~ since 1906, and the premium now paid by them is herewith sent. It will be seen therefrom that all the midwives drew their pay according to the sanctioned scale, and premium was also recovered according to the prescribed rate excepting in the case of the midwives named in the margin. These mid-wives were drawing higher pay prior to the issue of Government Order in August 1902, and they therefore insured their lives on that pay. Under Insurance rules an insured deganded may continue to pay the full premium on his Policy. Accordingly these Midwives continue to pay premium on higher pay although now actually get reduced pay. Even prior to the issue of Government Order of August 1902 when a midwife was transferred from Malnad to Maidan Taluk and whose pay was actually re-

reduced from Rs. 20/- to Rs. 15/- was permitted to pay premium on the former pay according to the insurance rules. I may also add that in cases where Midwives were transferred from Malnad to Maidan and who draw the same pay as in Malnad, only the pay sanctioned in August 1902 for Maidan places viz., Rs. 15/- was allowed and the excess amount drawn was recovered from them. Vide this office objection statements herein enclosed for your kind inspection and return.

It will thus be seen that not one of the midwives was permitted to draw pay at rates which she had been drawing before August 1902 as observed in para 9 of the said Proceedings.

4. The midwives employed in the marginally noted institutions whose appointments were specially sanctioned in separate orders (vide margin) are not included in the above list, as the Senior Surgeon's letter No. 4588 dated the 18th April 1893 and the order passed therefor relates to the Midwives employed in Taluks.

I have the honour to be,

Sir,

Your most obedient servant,

Comptroller.

showing discrepancies between the statement of midwives now furnished by the Senior Surgeon & that received from the same officer in 903

(1) Midwives Mariamma of Kaukanally, Roda mini of T. Narsipur, Adaranamma of Holalkere and Pragasam of Heggadadevankote who are shewn in the present list as having drawn more than Rs 15 per annum for 1st August 1902 were not shewn in the old list

(11) Of the marginally noted midwives shewn in the old list as having drawn more than Rs 15- prior to 1st August 1902, midwives nos 3. 8. 10. 11 & 12 do not appear in the present list while the pay drawn by others prior to that date is shewn as only Rs 15-. It is ~~gathered~~ seen from the records that no 3 Sanjeevamma is retired. Besides, Annamma, midwife of Thirthahally entertained on 6th July 06 cannot be identical with no 11 Annamma referred to.

of Rs 10/- as allowance
should also be noted
(iv) In the list of 1903
pay drawn by midwives

in the present list,
this has been split up
into pay and allowance.
The authority for such

(VIII) It is not clear
why Jagadamba
midwife of Mariamma
is allowed to draw Rs 20

midwife has issued

108 shewn as Rs 15-

(x) In the old list of the Senior Surgeon two midwives by name Iyanamma are shewn as having drawn more than Rs 15/- prior to 1st August 1902 and one of these is Pragasam Iyanamma of Uggal Kadaiyankole as stated by the Accomptant in his letter No 5000/759 dt 5th March 1906. According to the list now received there are 3 midwives by name Iyanamma (including Pragasam of Uggal Kadaiyankole) who were drawing more than Rs 15 prior to 1st August 02. This requires explanation.

(XI) While the Hospital assistant at Sukkar- pur gets Semi medical charge allowance, the midwife now draws medical pay as Rs 15 + 5 instead of Rs 15 + 3

(XII) While there ~~are~~ is a provision for 2 midwives ~~provided for~~, for the Epidemic diseases hospital, only one midwife is shown in the present statement and it is doubtful whether the present list is exhaustive and includes all the midwives in the state irrespective of the pay drawn by them

(XIII) The present list does not contain

wife of Angelina Josephine
who is reported by the
Comptroller to have
drawn her pay for quarters
as midwife of Hannah.

Statement containing detailed explanation in regard to all the discrepancies pointed out by Government in the Chief of Midwives

Re Mariamma

In the Statement from the Deputy Commu
- ioner, Bangalore received in 1903, Midwife
Mariamma was shown as having drawn
Rs 15/- prior to 1st Aug 02. In the present list, she
is shown as having drawn more than Rs 15/-
as per Statement furnished by the D.M.O. Bang
The Comptroller may decide which of the two
Correct.

Re Kodamini

do - In 1903, Mysore Deputy Commissioner's Statemc
showed the midwife as having drawn Rs 15/- bu
in the present list, she is shown as having draw
more than Rs 15/- prior to 1st Aug 02 as per D.M.O
Statement. The Comptroller may decide whi
of these is correct.

Re Abaraamammanl

do Same as the remarks made in re to Mariamm

Re Ragasam

do She was in the Chickmagalur Taluk in 1903. The
discrepancy is due to the variation in the infor
- ation received from the Deputy Commissione
Kadur Disbict in 1903, and the D.M.O. of Mysor
in 1906 in whose disbict the midwife is at present
doing duty. The Comptroller may furnish
Correct information on this point.

Re Arokia Mary

" The Midwife shown in the present list is not
the same individual as the one mentioned in
1903 whose whereabouts are not known.

2. Re Rajamma
The discrepancy is due to the variation in the information furnished by the Deputy Commissioner Bangalore in 1903 and the one furnished by the D.M.O. Mysore in 1906. The Comptroller may furnish Correct information.

do 3. Re Sanjeevamma
She is retired and hence her name is omitted in the present list

4. Re Ameer Bee
do She is not the same individual as the one mentioned in 1903 whose name does not appear in the present list since she is dismissed.

5. Re Ameena Bee
do The discrepancy is due to the variation in the information furnished by the Bangalore Deputy Commissioner in 1903 and the one furnished by the D.M.O. Tumkur in 1906. The Comptroller may furnish the Correct information

6. Re Rachel Anantamma
do The discrepancy is due to the variation in the information furnished by the Deputy Commissioner Bangalore and that furnished by the Civil Surgeon in charge Maternity Hospital Bangalore. The Comptroller may furnish the correct information.

7. Re Mrs. A. L. Knight
do The discrepancy is due to the variation in the information furnished by the Deputy Commissioner Tumkur and the D.M.O. Tumkur.

8. Re Vara
This individual died and hence the omission of her name in the present list.

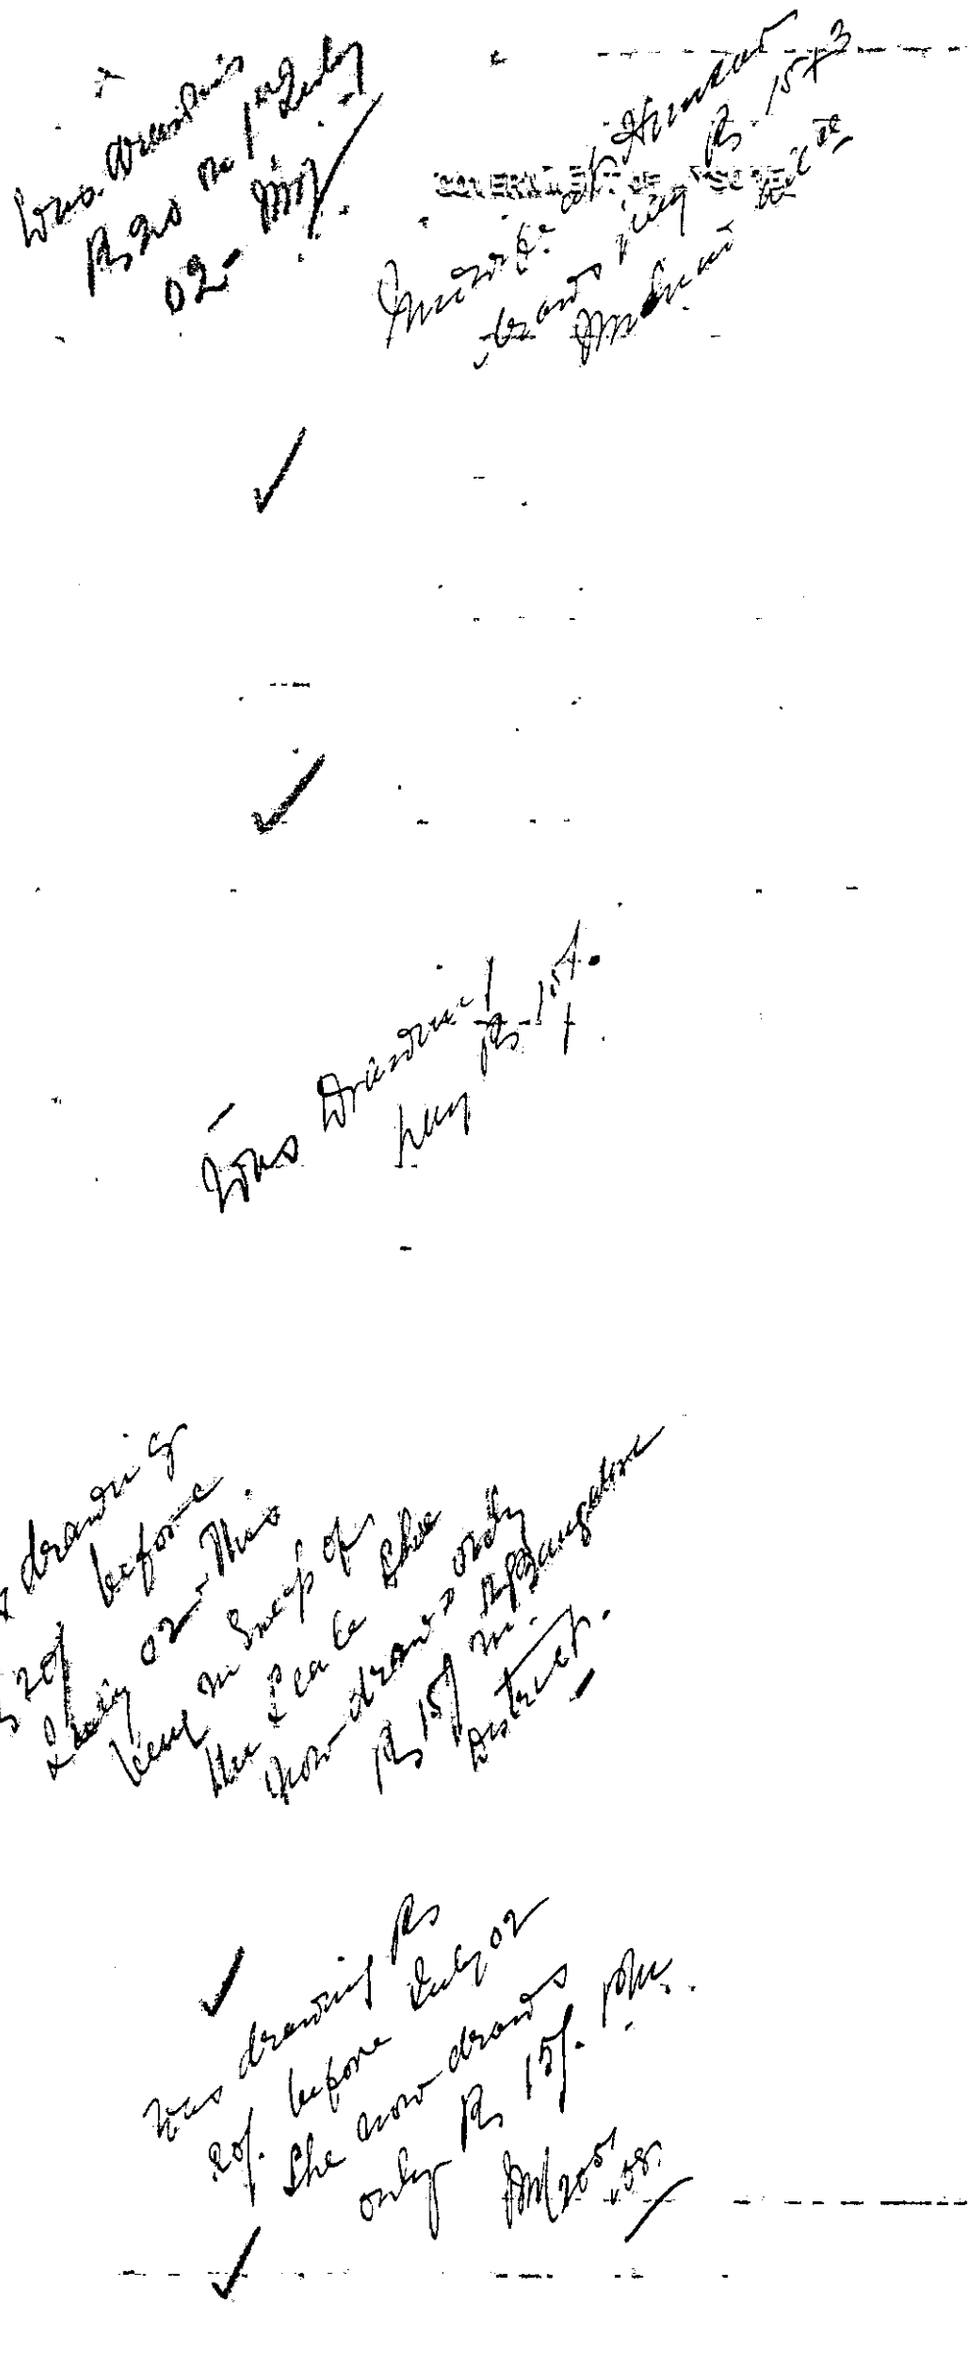
GOVERNMENT OF MYSORE

Rs 15 for hall & Municipal Inspection bungalow drawing map of Mulbagal taluk (Rs 15 x 5 of 20)

Was drawing map Rs 15 only.

Was drawing Rs 20 before July 02 Now drawing only Rs 15 /-

Was drawing Rs 15 x Municipal map Rs 1/4 allowances 5 for 20/-



9 Re Santhanamma

ii ... The discrepancy is due to the variation in the information furnished by the Deputy Commissioner Mysore in 1903 and that furnished by the D.M.O. Mysore in 1906. The Comptroller may furnish the correct information

10 Re S. D. Groves

do She is dismissed and hence the omission of her name in the present list.

11 Re Annamma

do She was dismissed in 1904 and was re-appointed in June 1906 and hence, Nil has been shown in the Column "Pay and allowances on the 1st Aug 02 in the present list.

12 Re Amruthamma

do The discrepancy is due to the variation in the information furnished by the Deputy Commissioner and D.M.O. Kadur District. The Comptroller may furnish the correct information

13 Re Municipal Midwife of Chitaldroog.

do Midwife Sarah Williams having been transferred from Chitaldroog as per G.O. No: 7913–16 2B (139-04) 6 dated 7-3-05, the pay drawn by the present midwife prior to 1st Aug 1902 is shown as Rs 15/- in the present list as that is the pay she has been drawing from the date of her first appointment into the Service

Re Midwife Jayapurnammanal

The Comptroller may furnish Correct information
It is presumed that this has been done by the D. on this point
M. O as per note to para 10 of G.O. No 1587–8 MED (53–93)

Now drawn at Rs 20 per day & not allowed only Rs 15/- per day as cancelled per Secy.

Sum of Rs 15/- drawn

Nil. Correct proforma has not been furnished by the Counsel for the Union

Copies of the Award & Reports for the year 1897 under Rules and are available

by C.L. No. 12763-76 dtd 7.8.76 1421 3rd Feb 02 it is stated that for payment of an allowance of Rs 10/- to Non Matriculate

dated 17-8-06

V. The present list has been prepared as per information furnished by ~~the~~ the D. M. Os. The Comptroller may say, in consultation with the Insurance Secretary, if necessary, if this is a fact and if so, how this was allowed.

Re Mrs: Hostello

VI She is shown in the list, since she re-joined her appointment on 9-4-06 and the period of her absence was treated as leave without allowances.

Re Midwife Annamma

VII Same as those given in V ⊗

VIII In the case of midwife Jagadamba Rs 4/- is Marikanave allowance as stated by the Executive Engineer.

As regards the allowance of Rs 2/- to Ellen Peel, reference is invited to G.O. No. Fe 2116-5-8 dated 9th June 05

IX Reference is invited to this office No: G. 716 dated 29-3-06 with which Mysore D M Os' letter No 6114 dated 12-3-06 was sent, which furnishes the required information.

X. The Midwife of Heggada devankote is Ragasam and not Ragasam Gnanamma as stated by the Comptroller. It is true that one of the two midwives by name Gnanamma is Ragasam Gnanamma as per G O No: 7267-9/(167-05)2 dated 11.1.06. Thus it will be seen that there are only now two midwives by name Gnanamma and not three as pointed out.

XI The Midwife of Shikarpur gets Rs 15+3 and not Rs 15+5 which is a mistake

XII Though provision exists for 2 Midwives, only one is actually on duty whose name has been shown.

Re Midwife Anjalina Josephina

XIII She having resigned her appointment,

She was drawing only Rs 15/- per mensem and her husband's pay was Rs 18/- per mensem

Now she is drawing Rs 18/- only as Rs 17½ + the premium received from them is only Rs 1-12-0.

GOVERNMENT OF MYSORE

✓

→ ⊗ ✓ The services of Muniyappa Annamalai were dispensed with from 7th May 1901 as reported by the Asst Inspector of Schools Kapaccin Fee 1292 of 15.12.01 and Ceases to have claim to Casualty Leave on 8th July 06. As he has already availed of 15 Che was drawing before the order of August 02 the leave has now been shown in the Statement.

✓ She is the same Annamalai referred to in (ii) of the Leave rule.

✓

The leave on loss of pay for 1 month from 15/11/06 to 14/12/06 is granted as asked for.

Now there are only 2 Gnanambals. Subsequently another was known as Prakasamma also altered her name to Prakasam Gnanamma. Thus there came to be 3 Gnanammals.

Sir,

Reg in 3

In continuation of my No G.214 dated 17/18-9-08 and with reference to your docket No.1565/L.B.55-93 dated 16-8-1907, I have the honor to forward the accompanying -- statement embodying therein my detailed explanation & that of the Comptroller in regard to each of the discrepancies mentioned in your memo, and to request that the information furnished by the Comptroller of Mysore in connection with the pay of certain Midwives may be kindly accepted as -- final, since it will be seen that a good many of the dis--crepancies are in fact due to the variation in the parti--culars received from the Deputy Commissioners in 1903 on the strength of which, the old list was prepared, & those furnished by the District Medical and Sanitary Officers in 1906 in accordance with which, the present list was com--piled.

2. The List of Midwives received with your reference under reply, is herewith retransmitted with the required certificate attached thereto, by the Comptroller of Mysore.

Prior to 1893 there were 2 grades of pay for midwives, viz Rs 15 & Rs 20. In September 1893 the scale was fixed at Rs 15, 18 & 20 for the maidan, semi-maimad and maimad Talukas respectively. As this scale was found unworkable in some

cases of transfers of midwives, the scale was again revised in August 1902 and their pay fixed at a uniform rate of Rs 15 with local allowances of Rs 5 and 3 for malnad and semi-malnad. It is now stated by the Comptroller that this latter scale is being strictly adhered to except in some special cases.

2. In May 1903 the Senior Surgeon recommended that in view of the hardship which the scale of August 1902 caused by suddenly reducing the pay of those midwives who were in receipt of a consolidated pay varying from Rs 18 to Rs 30/-, midwives whose pay was more than Rs 15 before that

date should be allowed to continue to draw their former pay till they vacated office and the matter has been in correspondence since then.

3. It is observed that at present there are in service 31 midwives as shown in the enclosed list who are entitled to the concession recommended. As it is unfair that these should be deprived of a portion of the pay which they were drawing before August 1902, Government are pleased to lay down the following rules in regard to them: —

(1) The difference between the former pay of these midwives & Rs 15, the uniform rate of pay fixed, shall be treated

as personal allowance.

(ii) If such a midwife is employed in a maternity or semi-maternity or an institution to which a local allowance is attached, she shall draw no local allowance except where it is in excess of the personal allowance, and in that case only the difference between the two will be drawn as local allowance.

4. In the case of Eggamma, midwife of the General Hospital, Mysore, who was entertained on 29th July 1904 subsequent to the order of 1902 and has been allowed to draw Rs 17/- on the ground that she is paid from Provincial funds, the excess over Rs 15 will similarly be treated as personal allowance.

MGCPB—30,000—5-1-05.

5. The Senior Surgeon is requested to submit for sanction through the Comptroller bills — separately for each midwife — for arrears of pay that may become due as above, pointing out the source in the current years budget wherefrom the charge may be met.

6. The Senior Surgeon also recommended that midwives employed at the Municipalities of Bangalore and Mysore and the Civil Hospitals of Hassan, Shimoga and Chitaldrug might be allowed special rates of pay, the excess over Rs 15 being if necessary treated as local allowance attached to the different institutions. Your approve of the above recommendation except as regards the midwives at Hassan, Shimoga & Chitaldrug. They are no

reason why these midwives should get local allowances at the rates of 10, 15 and 5 Rs respectively as the work they do is not more arduous than that done by the midwives at other Head Quarters to which no such allowance is attached, eg Junkur and Kolar Hassan and Shimoga being semi-mahal, the midwives there will draw a local allowance of Rs 3. The present incumbents at Hassan & Shimoga were in service before August 1902 and were drawing a pay of more than Rs 15/ and they shall be treated as ~~provided under~~ in para 3 above ~~supra applicable to them~~.

1, Correspondence ending with letter No. G. 321, dated the 21st November 1908, from the Senior Surgeon, submitting as called for in Government Order No. 1587-8—L. F. 55-93, dated the 16th August 1906, a complete list of midwives in the State.

2. Letter No. 418, dated the 15th November 1906, from the Comptroller in Mysore, reporting that midwives excepting in some special cases are allowed a uniform pay of Rs. 15 with the prescribed malnad and semi-malnad allowances in accordance with Government Order No. 2273-84—L. F. 55-93, dated the 3rd August 1902.

No. 12819-29—L. B. 55-93, DATED BANGALORE, 21ST JUNE 1909.

ORDER THEREON.—Prior to 1893 there were two grades of pay for midwives, *viz.*, Rs. 15 and Rs. 20. In September 1893 the scale was fixed* at Rs. 15, Rs. 18 and Rs. 20 for the maidan and semi-malnad and malnad taluks respectively. As this scale was found unworkable in some cases of transfers of midwives, the scale was again revised† in August 1902 and their pay fixed at a uniform rate of Rs. 15 with local allowances of Rs. 5 and Rs. 3 for malnad and semi-malnad. It is now stated by the Comptroller that this latter scale is being strictly adhered to except in some special cases.

2. In May 1903 the Senior Surgeon recommended that in view of the hardship which the scale of August 1902 caused by suddenly reducing the pay of those midwives who were in receipt of a consolidated pay varying from Rs. 18 to Rs. 30, midwives whose pay was more than Rs. 15 before that date should be allowed to continue to draw their former pay till they vacated office and the matter has been in correspondence since then.

The Senior Surgeon also recommended that midwives employed at the Maternities of Bangalore and Mysore and the Civil Hospitals of Hassan, Shimoga and Chitaldrug might be allowed special rates of pay, the excess over Rs. 15 being, if necessary, treated as local allowance attached to the different institutions. Government approve of the above recommendation except as regards the midwives at Hassan, Shimoga and Chitaldrug. They see no reason why these midwives should get local allowances at the rates of Rs. 10, 15 and Rs. 5, respectively, as the work they do is not more arduous than that done by the midwives at other district headquarters to which no such allowance is attached, *e.g.*, Tumkur and Kolar.
